P MATCHDAY PARKING - A Free Ride:

As you come off the motorway at junction 2, head towards Eccles (3rd exit off the roundabout) and take the first left at the next roundabout taking you past the West One retail complex on the right. Here adjacent to the Ladywell Metro station, you will find a 400-space secure car park with CCTV, security fencing and regular patrols. Parking here is free, and by picking up the Metrolink tram service for one stop, you can alight at the Weaste Metrolink station, which is about a 250 yard walk from the ground just up Weaste Road and Weaste Lane. If you use Metrolink we will refund the cost of your Metrolink ticket if produced when buying a match ticket at our ticket office on Willows Road. We strongly recommend that fans utilise this facility and do not rely on road parking.

NEAREST BR STATION / METROLINK STATION:

To Piccadilly (Manchester), situated approximately 4 miles from the ground. You then need to catch Metrolink (below) to the Ground. If coming by taxi the fare will be approximately £5/£6. Nearest Metrolink Station is Weaste (5 mins walk).

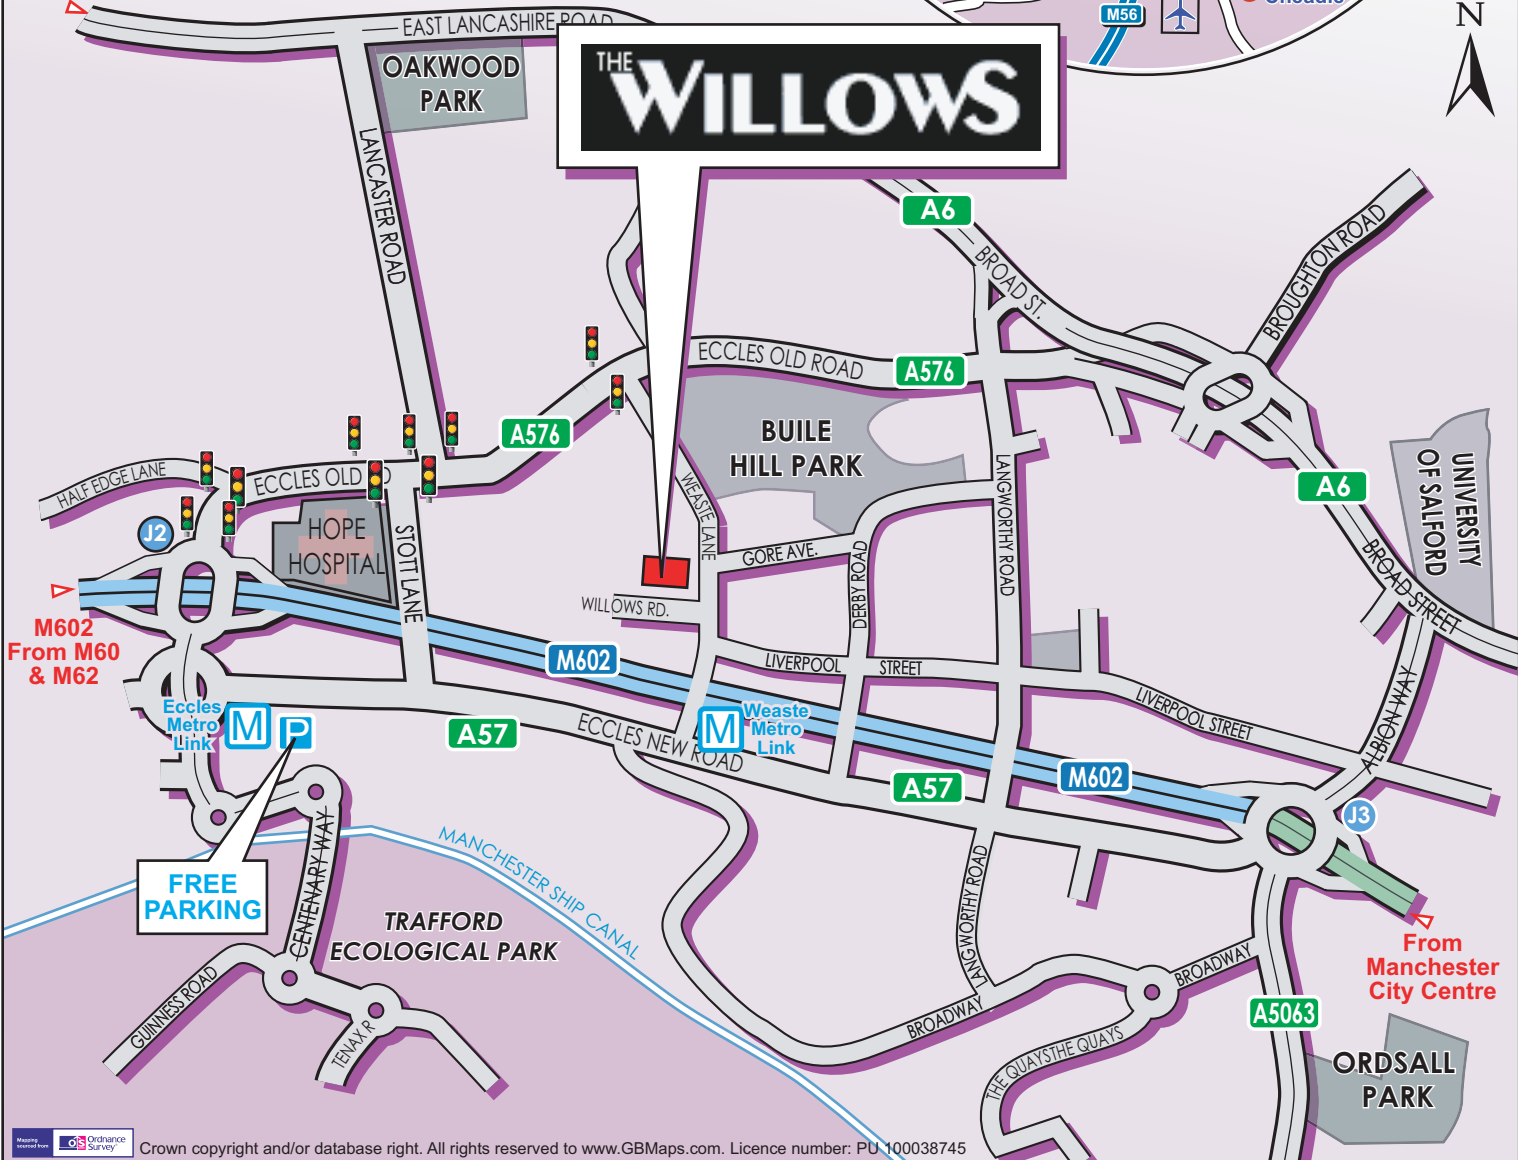

DIRECTIONS TO THE GROUND:

When approaching from either the East or West, pick up the M60 and follow signs to Manchester (M602). Take the first exit signposted for Eccles and bear left off the slip road for Pendleton (A576). Proceed through five sets of traffic lights (approximately one mile) and at the brow of the hill turn right into Weaste Lane, passing the park on your left and Pendleton College on the right. The ground is approximately 250 yards on the right. We suggest visiting supporters utilise the FREE park and ride scheme as shown above.

A580 From M60 J14

M602 From M60 & M62
